Chapter 1: A Simple Goal of Love

WEEK

25 - 31 March 2019

REFLECT

Where do you find it easy to see God's love at work in people's lives? Are there areas where you struggle to see the heart and affection of God?

SHARE

What has been your experience with the prophetic? Have you always felt encouraged or have there been times when you have received a word that made you feel exposed or corrected?

DO

Choose a friend or relative and write down what you love and value about this person. Consider their character, gifts, relationships, walk with God etc. Contact this person by phone, email or in person and share what you have written with them.
What was their reaction?
How did this make you feel?
What forms of encouragement were easy and what was hard?
