

# WEEK 6

## READ TRANSLATING GOD

Chapter 6:  
Revelation, A Step Past Discernment

## WEEK

29 April – 5 May 2019

### REFLECT

Have you or someone you know, been hurt by the discernment or the “check” of another Christian? If so, then forgive and release the person involved, and ask the Holy Spirit for His perspective on that situation.

### SHARE

How has your discernment helped you in your day to day life? Have there been times when you have struggled to hear the heart of God because of your discernment?

### DO

Write down an area where you either feel emotionally charged, or your discernment has led you to be critical, rather than empowered. (For example, social justice, politics, addiction, morality, violation of rights or values.) Take this a step further and pray for a revelation of God’s heart and intent.
