READ TRANSLATING GOD

Chapter 7: The Way God Communicates

WEEK

6 - 12 May 2019

REFLECT

Are there times when the Lord has empowered you to choose rather than told you what to do?
How has this affected your relationship with Him.

SHARE

Have you been frustrated by God's apparent lack of direct answers?
How has this chapter helped you understand the way God communicates?

DO

Read through the list of *The Ways God Communicates* (additional resource).
Identify the ways you regularly and easily "hear" from God.
Now choose one way that is not familiar to you and ask the Lord to increase your sensitivity to Him in this area.
Journal your progress in developing this aspect of hearing from the Lord.
