

WEEK 12

READ TRANSLATING GOD

Chapter 11: Accountability, A New Way to Grow

WEEK

10 - 16 June 2019

REFLECT

What is the biggest challenge you face in the area of feedback and accountability? Is it the fear you will fail, not be good enough, be rejected or misunderstood? Ask the Lord to help you process any issues or seek help if needed.

SHARE

What are your thoughts on Shawn's statement on page 133, *"It's so important that we keep prophetic ministers, and people who prophesy, accountable for their relational skills, not just their prophetic words"*?

DO

Write down the names of people who speak into your life. (Remember, accountability is to help you grow). If your list is small, ask the Lord for the names of people you can invite to give you feedback regarding your spiritual growth, relational skills and prophetic gift.
