

WEEK 13

READ TRANSLATING GOD

Chapter 12: Responsibility in Revelation

WEEK

17 - 23 June 2019

REFLECT

Are you aware of differing levels of confidence and accuracy in the prophetic words and impressions you receive?

SHARE

What has been the impact of promoting people on the basis of gift and not requiring they have character and relational skills?

DO

Ask the Lord to highlight a person at work or someone you see on a weekly basis outside of church. Now ask the Lord for a word of encouragement for them. Don't try to prophesy, just get comfortable speaking powerful words. Check out this week's resource for help with this.
