

# WEEK 14

## READ TRANSLATING GOD

Chapter 13: Putting it Into Practice

## WEEK

24 - 30 June 2019

### REFLECT

How much do you want this? Desire is the motivation that will keep you moving forward and change a course into a lifestyle.

### SHARE

What is the greatest risk you have taken while doing this course. What was the result of you stepping out and taking a risk?

### DO

As appropriate, take what you did last week to the next level by either saying something encouraging to someone you chance to meet, or speaking prophetically to a work colleague. Keep your words natural and normal. Pay attention to developing your awareness of the anointing on certain words and concepts and how that anointing feels.
