Chapter 1: A Foundation for Words of Knowledge

REFLECT

What are some ways you can build a solid foundation in your life to receive and give words of knowledge?

DO

Ask God to highlight someone you haven't talked to in a long time. Now pray for them and ask God how they are doing (their basic mood in life). Now text, email or call them with a life encouragement based on how you feel. See how they respond.

EXAMPLES OF WORDS OF KNOWLEDGE IN SCRIPTURE

Revealing Emotional Need

2 Kings 4:27 *"When she reached the man of God at the mountain, she took hold of his feet. Gehazi came over to push her away, but the man of God said, 'Leave her alone! She is in bitter distress, but the Lord has hidden it from me and has not told me why.'"*
