REFLECT

How do you currently receive revelation?

If there is an area that you are not familiar with, pray and ask the Holy Spirit to speak to you in this way.

DO

Ask the Lord for the name of one person you can contact, who is not within your “bubble” during the current lockdown. Phone, text or email them and let them know you are thinking about them.

Ask the Lord for something encouraging to say or write. Again, you are not trying to get a word of knowledge – you are simply sensing God’s heart for others. Note down their response to what you shared.

EXAMPLES OF WORDS OF KNOWLEDGE IN SCRIPTURE

Personal Background & History

John 1:48 *“How do you know me?” Nathanael asked. Jesus answered, “I saw you while you were still under the fig tree before Philip called you.”*
